THERE should be no question of its merit. A worthless paint cannot be detected until it has been used and paid for and so your money is gone as well as time used in applying it.

The paint we sell has an Honorable Reputation won through Merit.

NOTICE TO BUILDERS.

The undersigned will receive sealed proposals until Monday, July 10, at 10 a. m. for furnishing the labor and materials necessary for the erection of a two-story frame residence at Benchley. R. H. SEALE.

Don't fail to see Webb Bros.' window display of ladies and children's slippers. It is well worth a trip downtown.

Mr. and Mrs. W. G. Lomax returned to their home at Waxahatchie today after visiting Mr. and Mrs. E. B. Lomax.

Misses Corrie and Birdie Suber were in the city shopping this morning from their home in the College community.

Work has begun on a neat cottage for Mr. and Mrs. Tom Higgs in the southern part of town next to the J. D. Martin home. Jesse Gammon has the contract.

The prohibition rally to have been held at Carnegie Hall tonight has been postponed to Friday night. This action was made necessary by the absence of speakers.

Mrs. E. D. Monzon, wife of Bishop Monzon, who has been visiting her parents, Mr. and Mrs. D. Mike, Sr., left this morning for her home in San Antonio, going to Hearne with her brother, D. Mike, Jr., in his auto.

I. J. Thomas and son, John, of North Zulch, were in the city today and called on The Eagle. Mr. Thomas says crops in his part of Madison county do not average quite so good as they do in Brazos, having been planted mostly after the spring rains, but that in spots there have been showers which did much good. Cotton, he thinks, isn't hurt yet.

CARD OF THANKS.

We wish to express through The Eagle our heartfelt thanks to all friends and neighbors for their kindness and assistance to us during our recent sore affliction, the death of our daughter and sister.

NOTICE TO MUSIC PUPILS.

I wish to announce to all parents who have children they wish to study the piano that I will remain in Bryan during the summer and next school session. I solicit music pupils who desire the best instruction and by the latest methods. I urge all parents to investigate the teacher and his merits if you desire your child to have the best.

HEARD ON THE STREET

Will the city waterworks be able to furnish plenty of water for all purposes, especially street sprinkling? This is a burning question and everybody is anxious to see the new system inaugurated. They have lived in the dirt and dust until they are sick and tired of it and long for relief. They want water. They want rivers and oceans of water. They want to see the flowers in bloom and the lawns green. Above all, however, they want to see Main and intersecting streets kept thoroughly wet and the dust nuisance forever abated.

What has become of the free mail delivery proposition? The Commercial Club took the matter up some time ago, committees were appointed to push the matter through, but no results. If Bryan is entitled to free delivery the people would like to have it.

Where is Hewitt?

When will it rain?

Is it hot enough for you?

Are you going to the singing convention Saturday and Sunday?

When will the federal postoffice building be begun?

Appraising Damaged Stock.

Mr. E. J. McCulloch, representing the insurance companies, and Messrs. M. S. Edge and J. D. Daly, representing the parties at interest, are investigating and appraising the damaged stock of dry goods and shoes of Cash & Scarmardo. The stock was damaged by fire early in February and no adjustment of the matter and settlement of losses has ever been made. It is hoped that the matter will now be straightened out, as the closed building and old blackened and charred goods have been an eye-sore long enough.
